Online Food Safety Training is available

Feeding America has mandated that all partner agencies must have at minimum one person working with food distribution be knowledgeable of food safety. The Houston Food Bank has developed an online course that meets Feeding America standards. This safety training is now a requirement to be an active member of the food bank to ensure compliance with Feeding America.

Instructions for Online Food Safety training

Please take the 2 Hour Learn2Serve ANSI Food Handler Certificate Program. It is the first option when you scroll down to see the offered classes.
