HILSC only promotes legal services at reputable non-profit organizations that are authorized to provide immigration legal services. Don't get scammed by notarios by following these guidelines:

- ✓ A "notario" is not an attorney and does not have a license to practice immigration law or represent you in your case. Notarios may cheat you out of significant amounts of money and harm your case.
- ✓ Be WARY if a provider does any of these: • Asks you to sign blank documents • Refuses to give you a contract for their services • Refuses to show you their license or accreditation • Guarantees positive results • Claims a special relationship to an immigration officer or judge that will benefit your case.

For legal information, referrals, and to report ICE enforcement activity or discrimination, call the Immigrant Rights Hotline at 1-833-HOU-IMMI (468-4664), Monday – Friday 9-5pm.

Private Attorneys: *If you can afford an attorney, there are many immigration attorneys in the Houston region who are members of the American Immigration Lawyers Association (AILA): www.aialawyer.org*

When you hire a private attorney, we recommend asking them questions like:

- In what state are you licensed?
- Have you ever been disciplined by a State Bar?
- How long have you practiced immigration law?
- What type of immigration law do you specialize in?
- If the individual offering representation avoids your questions, consider finding a different lawyer.
- Call multiple attorneys before you hire one.
- YOU are the client and you get to decide who will represent your best interests.
