

houston**food**bank **Annual Report: FY 2018**

Where our Funding Comes From

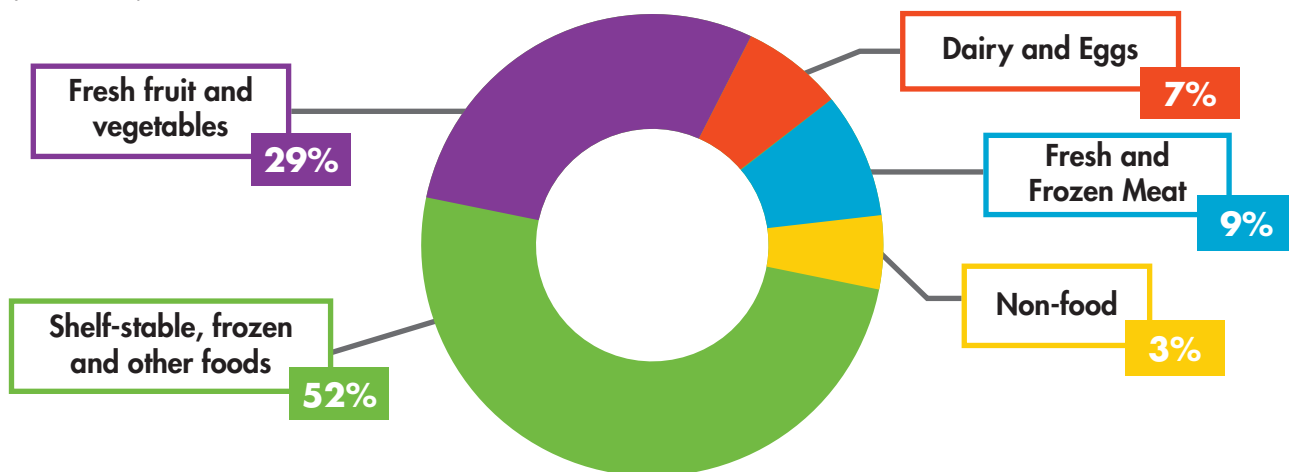

How We Use our Resources

What We Distribute to the Community: 122 Million Nutritious Meals*

Nutritious food distributed in addition to meals made possible through SNAP benefits (Supplemental Nutrition Assistance Program, formerly food stamps)

Impact

The Houston Food Bank positively impacts the lives of many southeast Texans in our 18-county service area every day. During the 2017 – 2018 fiscal year, we and all of our supporters worked hard to keep leading the fight against hunger by serving **800,000 individuals**. Because people often have to make difficult choices between feeding themselves and their families and paying for other necessities, food assistance can lift a big weight from their shoulders.

With your help, we are not only filling pantries, but also filling lives.

The Food Bank's Contribution to the Community

122 million nutritious **meals** provided

1,500 community partners worked with the food bank to provide food and services to people throughout our 18-county service area

48.6 million pounds of fresh **produce** provided

16 million SNAP meals provided

1,476 nutrition classes taught

Because of You

518,000 hours of volunteer time, equivalent to **249** full time **employees**

92,000 individual **people** volunteered
