The need for food assistance has increased drastically as the COVID-19 situation has continued and Houston Food Bank’s response in the month of July demonstrates that. We will remain operational, while utilizing the best available safety precautions. We are adjusting daily to meet the needs of the community and adapting our logistics and operations to help people in the safest and most effective ways possible.

The Need:

- **2,750,000 people** in our 18-county service area may be struggling with food insecurity.
- **480,574 people** applied for unemployment benefits in the month of June in our service area.
- **128% increase in number of households** served on average each week in July 2020 vs. July 2019.

The Response in July:

- **26,117,263 pounds of food** and product distributed in July 2020.
- **1,291,474 pounds** distributed in a single day - 2.9x previous average daily distribution of 450,000 pounds.
- **1,550,227 home deliveries** made safely and with no contact with help of volunteers, staff, and partners including CrowdSource Rescue and Amazon.
- **5,476,744 pounds of produce** distributed to the community through our partner sites, deliveries, and programs.
- **1,076,510 ready to eat meals** produced by our Keegan Kitchen for kids.
- **35,180 food sacks** distributed to kids through Backpack Buddy.
