The need for food assistance has increased drastically as the COVID-19 situation has continued and Houston Food Bank’s response in the last few months demonstrates that. We will remain operational, while utilizing the best available safety precautions. We are adjusting daily to meet the needs of the community and adapting our logistics and operations to help people in the safest and most effective ways possible.

March 2020 - December 2021:

392,780,979 pounds of food and product distributed to our partners
