The need for food assistance has increased drastically as the COVID-19 situation has continued and Houston Food Bank’s response in the month of February demonstrates that. We will remain operational, while utilizing the best available safety precautions. We are adjusting daily to meet the needs of the community and adapting our logistics and operations to help people in the safest and most effective ways possible.

14,234,339 pounds of food and product distributed in February ‘22

24% increase in output of food and product in February ‘22 vs. February ‘19
